PLAY SUPER HERO SQUARES

You need:
2 PLAYERS
1 DIE
MARKERS

Object of the game: To cover your 12 superhero panels first.

Roll the die and the number that comes up is the number you are to cover. Check, for instance, all the 2's are covered and you roll a 2, it doesn't count and the die goes to the other player.

BONUS:-
If you roll a 6, you may cover as many superheroes that exactly suit you.

The first person to cover all the superheroes puts their marker on WINNER.

Make yourself a sheet of squares of equal size. The larger you make the squares, the larger your crest will be. Follow the drawing below on your sheet and you've got it. Then you can cut it out of paper or trace it onto cloth.
